MEMORANDUM

RE: Migrant Site Eligibility Determinations

The purpose of this memorandum is to clarify that migrant sites participating in the Summer Food Service Program (SFSP) are considered area eligible sites falling under the category of open, or restricted open, sites as defined by SFSP regulations, 7 CFR 225.2.

Although the eligibility of migrant sites is conditioned upon a determination that the site predominately serves the children of migrant workers, the site is not considered an enrolled site. This distinction is important because area eligible sites, unlike enrolled sites, may participate in the SFSP for the duration of the program year for which their eligibility has been established without further or additional determination. Open and restricted open sites determined to be eligible based on information from migrant organizations are subject to annual redetermination.

If you have questions regarding this memo, please contact the Summer Food Program Coordinator, Patricia Johnson, at (602) 542-8782 or Traci Grgich, at (602) 364-1625 for assistance.
